

FERM CRM1049

Details:

Compact and powerful: that's the CRM1049! This portable compressor is ideal for short pressure applications such as inflate tyres. The FERM Portable Compressor delivers max. 8 bar of rated operating pressure and is not oil-bearing. This makes the machine easily transportable (in combination with its light weight) and easy to maintain. The universal DIN / Orion quick coupler allows quick connections and disconnections of various air tools.

Features:

Inflate tyres and soccer balls
Remove dust and sawdust

Technical Specification

More Information
