WELDING ACCESSORIES

WELDING PROTECTIVE GOGGLES SB 520

Made of plastic, foldable, provided with side protective shield. Lens Ø 50 mm in accordance with EN grade 5. EN 166/169 approved. Replaceable lenses.
No. 52520 · EAN 4001845525204

GOGGLES WITH SCREW RING SB 522

Metallic frame with ventilation holes, provided with foam lining and adjustable strap. EN 166/169 approved. Lens Ø 50 mm in accordance with EN grade 5. Replaceable lenses.
No. 52522 · EAN 4001845525228

FLIP UP GOGGLES SB 524

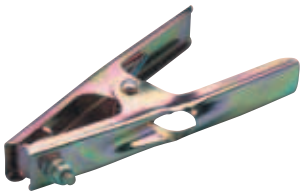
Lightweight plastic frame with ventilation holes and adjustable strap. Suitable for corrective eye-glasses. Outer lens in accordance with EN grade 5, inner lens made of colourless plastic. EN 166/169 approved. Replaceable lenses.
No. 52524 · EAN 4001845525242

REPLACEMENT LENSE EG 526

No. 52526 · EAN 4001845525266

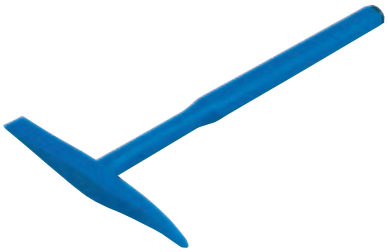
ELECTRODE CLAMP EH 550, EH 552

Suitable for all electrode types. Right, left, and front clamping is possible. Suitable for maximum voltage up to 200/300 A at 60 % ED.
No. 52550: loading capacity up to 200 A, for electrodes up to Ø 2,4 mm · EAN 4001845525501
No. 52552: loading capacity up to 300 A, for electrodes up to Ø 3,2 mm · EAN 4001845525525



EARTH CLAMP MK 554, MK 556

Zinc-coated clamp for connection of the cable eye M6 and M8.
No. 52554: 150 A for M6 · EAN 4001845525549
No. 52556: 200 A for M8 · EAN 4001845525563



SLAG HAMMER

Made of metal, 390 g, with two different ends. For removing of slag after welding.
No. 52598 · EAN 4001845525983

STEEL BRUSHES

No.: 52540: 2-row hand brush
EAN 4001845525402
No.: 52542: 3-row hand brush
EAN 4001845525426
No.: 52544: 4-row hand brush
EAN 4001845525440
No.: 52548: 3-row angular brush
EAN 4001845525488

ANGULAR MAGNETS WM 700, WM 702

Assembling jig with fixed angles 45°, 90° and 135°.
No. 52700: small · EAN 4001845527000
No. 52702: big · EAN 4001845527024

PRESSURE REDUCER FOR MIG 100 DR 513 / DR 810

For bottles of 190 bar testing pressure and 210 g filling weight with CO_2, 60 bar with compressed gases.
Input connection: thread M 10x1
Outlet connection: hose coupling Ø 4 mm
No. 52513 · EAN 4001845525136 (picture top right)
No. 52810 · EAN 4001845528106 (picture top left)

WELDING GLOVES

Protective welding gloves, five fingers, EN 388/407, CAT.2, made of split leather with long overlapping. For protection against spatter.
No. 52596 · EAN 4001845525969

PRESSURE REGULATOR FOR GAS-SHIELDED DEVICES DR 516

Flow manually adjustable with 2 manometers. Suitable for CO_2, argon and gas mixture.
No. 52516 · EAN 4001845525167

PRESSURE REDUCER FOR MIG 100 WITH HOSE NIPPEL

For bottles of 190 bar testing pressure and 210 g filling weight with CO_2, 60 bar with compressed gases.
Input connection: thread M 10x1
Outlet connection: hose nipple Ø 6 mm
No. 52518 · EAN 4001845525181
